

Gira G1 – Release Notes

Item no.: 2067 .., 2069 .., 2077 ..

Firmware version: 3.6.4

Date: 24/09/2026

Gira Project Assistant (GPA) version: 6.1 or newer

We recommend that you always use the latest available GPA version.

1. Note

Version 3.6.4 introduces a compatibility mode for the Gira G1 (1st generation). This enables operation with Gira One and Gira X1 servers from version 4.0. The new version of the Gira G1 (1st generation) does not contain any functional upgrades.

The new functions of the servers from version 4.0 onwards are only supported by the Gira G1 (2nd generation). A list of supported and unsupported functions is provided in the form of a compatibility list in the GPA help.
